APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-
cation, and do hereby grant the same, subject to the following lim-
itations and conditions:

This permit is issued subject to all prior rights on the source.

The State reserves the right to regulate the use of the water

herein granted at any and all times. It is understood that, in

granting this permit, the point of diversion herein described is

below the point of diversion described in permit No. 2233.

The amount of water to be appropriated shall be limited to the
amount which can be applied to beneficial use, and not to exceed

One (1) cubic feet per second.

Actual construction work shall begin on or before May 8, 1915.

Proof of commencement of work shall be filed before June 8, 1915.

Work must be prosecuted with reasonable diligence and be completed
on or before May 8, 1916.

Application of water to beneficial use shall be made on or before
November 8, 1918.

Proof of the application of water to beneficial use must be filed
with the State Engineer on or before December 8, 1918.

WITNESS MY HAND AND SEAL this 8th day of March, 1915.
